Bob Foster would like to think that perhaps a Young Community Spirit Award could be put in place, to recognise good deeds and actions carried out by the younger generation within the community. Council agreed unanimously and it was agreed that a Shield should be purchased to hang in the Village Hall on which, each year, the nominated young person will have their name, they would also receive a mini shield. The Clerk was asked to source the commemorative shields. **SP**

3.5 Cllr D McQuade suggested that at the event the forming of an interest group for the future of the Village Hall should be promoted; Cllr McQuade was also willing to arrange a 'Bus Trip' for the interest group to visit local village halls that have undergone refurbishment projects. Council agreed to this and agreed a figure of £200 to cover the costs of this exercise.
